REMARKS

This amendment addresses the Office Communication mailed August 23, 2005 regarding filing an Amendment on June 8, 2005 which did not comply with the requirements of 37 CFR 1.121(c) because claim 23 contained an inaccuracy with respect to the lined out text (1, rather than 19), and Claim 52 was listed as "previously presented" but in fact was amended because previous Claim 52 recited "of a lipophilic" in line 3 rather than "a lipophilic". The Applicant has now corrected claim 23 as to what is being amended, and Claim 52 is now identified as "currently amended". According to MPEP 714.03, "Applicant's reply to a Notice of Non-Compliant Amendment should consist of a corrected version of only that portion of the amendment which previously failed to comply with 37 CFR 1.121. It is not necessary for applicant to resubmit the entire amendment document." Therefore, the present reply reproduces only the Claims pages of the previous Amendment filed September 16, 2004, with the corrections described above.

CONCLUSION

Applicant has addressed all of the Examiner's concerns as expressed in the outstanding Notice of Non-Compliant Amendment. If the Examiner finds any remaining impediment to the prompt allowance of the pending claims that could be clarified with a telephone conference, the Examiner is respectfully requested to initiate the same with the undersigned.

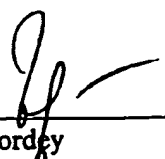

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
